9 people going, including RF Roadster, David Brandt and Gary Koester

Event by RF Roadster and Miata Club South Florida

Location: Elliott Museum-Stuart

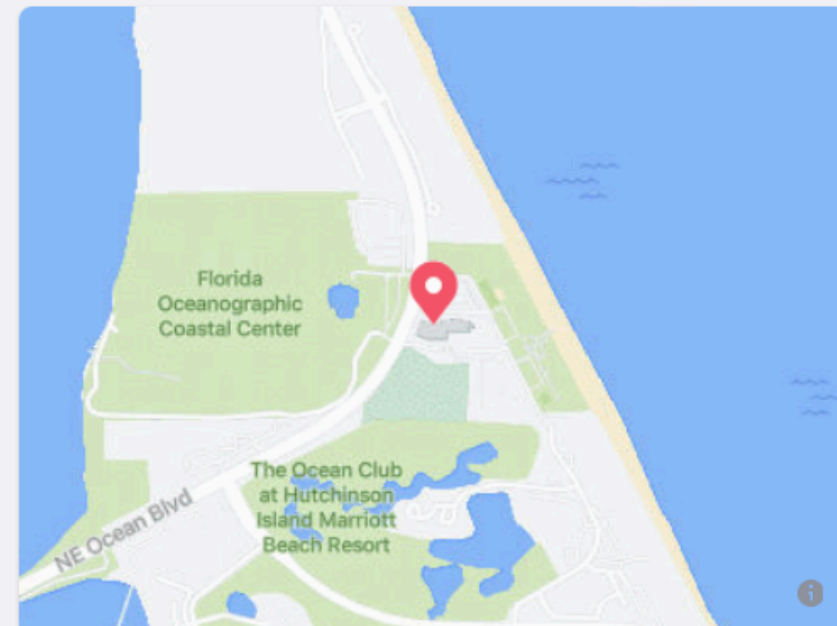

Group: Members of Miata Club South Florida

Our June road trip takes us to a premier venue for those who love classic cars and baseball memorabilia. We will have a guided tour lasting 90 minutes through the entire museum. In order to get the group rate of \$12 per person, we will need to purchase our tickets at the museum the day of the event, not online. After the tour, the museum has a cafe upstairs where you can have lunch if you so choose or there are other restaurants in the vicinity. I have included link to the museum and cafe below for your reference and review.

We will meet at 8:30am at Dunkin Donuts, 1020 Gateway Blvd., Boynton Beach which is just off the I-95 exit at Boynton Beach Blvd. We will leave promptly at 9am for our one hour drive north on I-95. Our tour will begin at 10am. Looking forward to another fun trip with the club members.
