Join us on Wednesday evening, June 26th, for the JANE June dinner meeting event on the waterfront. Bar opens at 5 PM on the deck, overlooking the yachts. The surf and turf dinner starts at 7 PM. We have reserved a function room at one of the "South Shore's Hidden Gems," the Bay Pointe Waterfront Restaurant on Quincy Bay. Don't miss it!

This is a popular seafood restaurant, and our room will have its own private bar and wraparound floor to ceiling windows, with a beautiful view of the marina's yachts and sailboats. Our room opens onto the outside deck, where we can enjoy the ocean view with our cocktails.

Of course, we will have a "surf and turf" buffet, which will include award-winning clam chowder, house salad, marinated beef tips, baked haddock, baked potatoes, seasonal vegetables, apple crisp with vanilla ice cream, and coffee and tea. The buffet will cost \$45 per person, which includes tax and tip. There will be a cash bar.

Our speaker is Marguerite Dennis, a JANE member who writes articles for Jaguar journals in England and the U.S. She is an outstanding speaker. Make your reservations, or email or call Dean Saluti, VP Events.
