Vol 14 - Num 2
February 2012

Jaguar XK140 belonging to new members Frank and Ann Grimaldi.

It's not original, but the surviving XK140 of three XKs that Frank raced in the 1960's.

It has been restored and professionally painted. Note the chopped windshield, the D-Type-styled front brake ducts, and the homemade 50's-style racing seats.

It is registered, and mechanically it has everything as when Frank last raced it in 1967 at Bryar, the site of what is now the New Hampshire International Speedway.

What an amazing winter; warm weather and no snow. How many of you wish you had not put your treasured Jags to sleep for the anticipated snow, sleet, and ice? Anyway, although February could be a cold month, we have a lot going on at JANE to warm you up for a fun-packed year.

January was a busy month. As you all know from the January issue of the Cat, our club Board met once in December and once in January to discuss both the long- and short-term goals for the year. The minutes of our meetings are posted on the JANE website at www.j-a-n-e.org.

Our various event Chairs have been busy. The energy and creative thinking by our new Slalom Chair, Al Zanengo ... Al hopes to bring a new level of fun without taking away the relaxed atmosphere of this easy, low-speed event; keep an eye out for our first slalom write-up. Our Concours Chair, Bruce Murray, has been very busy putting his personal touch into our signature event in August. Aldo Cipriano has been growing our lively Myopia Polo social event, has it under control, and promises it will be bigger and better than ever. And our newest commitment is to host the Jaguar Clubs of North America's Annual General Meeting here in Boston in 2014. This is a national event, and none other than our past President, Dennis Eklof, will be Chair of this 2014 week-long party. The planning for the event is already underway. Way to go, Dennis!

Coming up on February 12th is our annual Valentine Dinner hosted by Tom Moses. Also, this year we have a new event – a tour of the Adirondacks organized and managed by another past President, Carl Hanson. I'm sure this event will be terrific with Carl at the helm. Thank you, Carl. All of these wonderful committee Chairs will need help, so please contact them and volunteer for a small or big job.

Ed Avis, our VP of Membership has been doing a stellar job streamlining the JANE application process. I am pleased to report that we have eight new members for the month of January.

I must say that I'm very honored and proud to work with this fabulous group of knowledgeable car nuts who know how to laugh and have a good time, yet still get a lot of work accomplished. Thank you, Board members and event chairs, for carrying me through my first month.

In addition to our Board meeting, we had our kickoff (no, not football) January monthly social meeting at the Wayside Inn. This dinner meeting was an enormous success. A sellout crowd packed the room to hear our guest speaker, Don Rose, of RM Auctions, keep our members engaged 'til it was time to go. It was a terrific night and a great way to start our year. Many thanks to our Event VP, Dean Saluti, and his event partner, Marjorie Cahn, for organizing and managing such a wonderful evening.

Our next meeting will be Wednesday, February 22nd, and hold on to your hats -- this is a not-to-be-missed meeting. We will have a TV celebrity, a writer, a producer, and a lifetime student of cool cars; no, not four speakers, but one speaker with all the credentials and experiences that car people dream of enjoying. Our speaker will be Bill Stephens. Many of us have seen Bill on TV as the co-star of *What's My Car Worth?* and as the expert on the Mecum car auctions. Bill has a wealth of knowledge of European cars and American cars, race cars, and hot rods. He is a wonderful, engaging speaker who is very approachable and friendly. Come and share some special time with someone we would normally never meet. Please read more about Bill on page 7 of this month's Cat. He will be a treat for all of us. Make sure to sign up early to insure that you will have a seat.

I'm looking forward to seeing all of our new and existing members at our gatherings this year. Whether you are a new or long-time member of JANE, please come up to me and say Hi!

That's all for now. 

Michael

From the Editor

Here's the **H**appy New Year cake that Lauren MacCarthy and Jennifer Taylor brought to the January meeting at the

Wayside Inn. It also served as birthday cake for JANE President, Michael Kaleel, and, as Michael wished it, all in JANE who celebrated birthdays in January. Thank you, Lauren and Jen. 🇺🇸

JANE NEEDS A NEW COVENTRY CAT NEWSLETTER EDITOR!

Yes, it's that time! I am about to complete four years as our *Coventry Cat* newsletter editor. Not only am I now ready to move on and do other things within JANE, JANE could probably benefit from someone else taking the Cat for a while and giving it a new look, taking it in a different direction, giving it whatever character a new editor may like it to have.

You say you have no experience at this kind of thing? That's not an issue. I had absolutely no experience editing a newsletter when I took it. I just jumped in -- you know, sink or swim! But JANE members will not let another member sink. Here's what happens when you become the JANE *Coventry Cat* editor:

- You get to know just about everyone in the club.
- You get to know just about everything that's going ON in the club. And not only that, just about everything that's going on in the motorsports community around us.
- JANE members love to help you. They are wonderful to write articles for you, send you announcements, news, and photos.

In other words, the newsletter editor is never alone in this effort. I will provide all the transition help you need to get going. And JANE members will keep you going. The newsletter is a club effort.

I have loved producing the *Coventry Cat* these four years, and I pass it on to its next editor with what I believe is the legacy of a newsletter well respected and recognized within JCNA. It has twice earned its editor JCNA's Karen C. Miller Award for Newsletter Editor of the Year -- Harry Parkinson in 2004 and your current editor in 2009. Please give some thought to serving JANE in this position and carrying on our fine tradition of a newsletter that our members look forward to reading each month.

Call me at 978-448-2566 or email me at prebble.eklof@verizon.net to discuss this exciting and rewarding position. 🍷

JANE Monthly Meetings

Longfellow's Wayside Inn

Most of our monthly meetings are held on the fourth Wednesday of each month at Longfellow's Wayside Inn in Sudbury, MA. We are having terrific turnouts for our monthly meetings, which are becoming "events" themselves. The dinner meetings begin at 7 p.m., but you'll always find a lively gathering in The Old Tavern by around 6 p.m. If you've never attended one of these monthly meetings, come out for a fun evening. It's a chance to visit with your Jaguar friends, meet some of our new members, have a nice meal, and enjoy a good, car-related program.

There was a very large turnout for our January meeting to hear Don Rose, who is with RM Auctions. Don is very knowledgeable about the high-end world of classic car auctions, and he was able to tell us a lot about what went on at the Scottsdale auctions just last month. JANE members had a lot of questions for Don, and he enjoyed sharing his experiences in the car world with us.

This being our first meeting in the new year, Lauren MacCarthy and Jennifer Taylor surprised the group with a "Happy New Year JANE" cake, and it was also in honor of a "new year" in the life of our new President, Michael Kaleel, who had a birthday earlier in January. We're keeping the year confidential!

We welcomed some new members to their first JANE meeting: Frank Grimaldi, Garlan Hoskin, Alec Karys, and Norberto and Linda Melo. And we hope to see them at future meetings and events. 🇺🇸

Al Zanengo and Tom Moses schmoozing in The Old Tavern at the Wayside Inn before going in for our dinner meeting.

JANE is not merely a club for car guys. Here are (from L to R) Marilyn Parkinson, Margaret Caruolo, Lauren MacCarthy, Jennifer Taylor, and Jan Gill enjoying Don Rose's presentation at the January meeting.

Tom Larsen and Nancy Monaghan were at the Scottsdale Auctions in January and were eager to hear Don Rose's perspective on the event.

February Monthly Meeting

Longfellow's Wayside Inn, Sudbury, MA - Wednesday, February 22nd

Here's Bill Stephens on-camera for ESPN

Make plans now to come to our meeting on Wednesday, February 22nd, when Bill Stephens will be our speaker. Bill is associated with motorsports at just about every level and has numerous media awards in both radio and television.

Autoweek is the country's largest weekly publication devoted to the automobile enthusiast, and Bill provides features, race reports, and commentary for *Autoweek* on a regular basis. He's the author of three biographical books: *Shirley Muldowney's Tales from the Track* (2003); *Kenny Bernstein, King of Speed* (2004), and *Big Daddy Don Garlits' Tales from the Dragstrip* (2003).

And you may recognize Bill in the photo to the left, as he is everywhere on television! He is an on-camera host, reporter, writer, producer, and narrator of numerous automotive and motorsports television productions aired on just about every major network. Bill wrote, produced, and voiced five automotive documentaries that have aired on PBS. The series *Wheels* won several Telly Awards and the prestigious Imperial Palace Automotive Media Award given to outstanding television programs embracing the history and heritage of the automobile. *Wild About Wheels* ran for two years on Discovery. It was later picked up by SPEED Channel and is still seen in some foreign

countries in international syndication today. Bill has remained associated with *Wild About Wheels* throughout its entire television life.

Bill is a collector car expert with Mecum Auctions, and many of you may have seen him on the popular TV series *What's My Car Worth?* He can definitely tell how to value a car! He is also currently thinking about a future project -- a film about Formula One racing.

Our February meeting is your opportunity to meet Bill Stephens in person. He has a lot to say about the automotive industry and will be available to answer your questions. Bill admits to a special fondness for Shelby Cobras, but get this -- at one time he did have a 1998 BRG XK8, so he's one of us! 🇬🇧

Bill Stephens's 1965 Shelby American 427SC "Continuation" Cobra, which he sold last year. It was even autographed by Carroll Shelby himself!

Don't Forget!

To reserve your space at the February dinner meeting, you need to call Dean Saluti at 617-483-9488 (daytime), or at Dean's or Margie's cells (617-285-6565 or 617-285-6564), or email him at djsaluti@aol.com.

Don't procrastinate. Call or email now.

Upcoming Events

JANE Valentine's Dinner **Bullfinch's Restaurant, Sudbury, MA - Sunday, February 12**

Tom and Clare Moses

Last reminder that we are going back to Bullfinch's Restaurant in Sudbury, MA, this year for our Valentine's dinner. Who knows, with the mild winter we are having, by February 12th you may even be able to drive your Jag to the event. But even if we do get some winter in February, we can still get together and "think" and "talk" Jaguars in the warmth of Bullfinch's and the company of our Jaguar friends.

Join JANE for cocktails at 5 p.m. and dinner at 6 p.m. Bullfinch's is at 730 Boston Post Road, Sudbury, MA 01776. RSVP no later than Tuesday, February 7, to Tom Moses, 978-580-7416, or tmoses@spillcenter.com, and put JANE Valentine Dinner in the subject line. 🇺🇸

JANE Maple Syrup Run **Parker's Maple Barn, Mason, NH - Sunday, April 1st – No Foolin'**

Bruce Whitmore

Spring officially arrives on March 20th! Our traditional welcoming of spring, our tour to Parker's Maple Barn, is scheduled for April 1st, when the maplesap will be running freely and our Jaguars will be ready to "run" out of their winter hibernation.

Parker's Maple Barn in Mason, NH, is one of our area's most popular destinations for breakfast and lunch at that time of year. Their Sugar House will be in full operation, their rustic barn restaurant will be doling out sausages and stacks of pancakes swimming in real

maple syrup, and their "Corn Crib Gift Shop" will be featuring good stuff. **There's a lot of information about Parker's at www.parkersmaplebar.com.**

Bruce Whitmore is organizing our Maple Syrup Run this year. He will probably have us meet somewhere and take some scenic back roads to Parker's, where we can tour their famous Sugar House before our Maple Syrup Brunch. For now, save the date, and Bruce will have all the details about the tour for the March issue of the Cat. **If you have any questions in the meantime, you may reach Bruce at 781-275-9747 or whitmorebk@comcast.net.** 🇺🇸

Two Major Save-the-Dates-Now Weekends

Adirondack Tour Saratoga Springs and Lake Placid, NY - May 18 - 21

Carl Hanson

This Adirondack tour to Saratoga Springs and Lake Placid is going to be fun, and with a good turnout, too, as reservations are already coming in! Here are the plans.

On Friday, May 18th, we will drive to Saratoga Springs, NY. We will provide route suggestions, but you are on your own to get there. You may team up and caravan together, or go on your own if you wish. We will spend Saturday, May 19th, at the Saratoga Auto Museum for their "Spring Invitational Foreign Car Show," where our Jaguars will be parked together on the grounds. Check out their website at <http://saratogaautomuseum.org/invitational>. Blocks of rooms are reserved for both Friday and Saturday nights at two hotels:

Courtyard by Marriott in Saratoga Springs (518-226-0538). The rate is \$209 plus tax, and the block cut-off date is April 20th. This is graduation weekend at Skidmore College, so you should make your reservation as soon as possible.

Fairfield Inn in nearby Malta (518-899-6900), where the rate is \$149 plus tax, or a suite rate of \$169 plus tax. The block cut-off date is April 6th.

For dinner both nights, you are on your own, or of course may organize groups for dinner.

Car Show at Saratoga Auto Museum

On Sunday, May 20th, we will drive scenic back roads through the Adirondack Mountains to the Lake Placid area. Rooms are being held at the **Crowne Plaza Resort and Golf Club** (518-523-2556) at the rate of \$109 plus tax. The cut-off date for getting this rate is April 20th. Early arrivers may play a round of golf, stroll through town, or visit Olympic venues. A group farewell dinner in a private room is planned.

On Monday, May 21st, we are homeward bound, your own schedule and your own route.

Again, please make your room reservations as soon as possible, and be sure to mention that you are with the Jaguar Association of New England to get the group rates. You also need to let Carl Hanson, our tour organizer, know your plans. **Carl is at chansonjag@aol.com or 781-275-2707.**

Carl promises that this tour will be fun and easy ... no tricky route instructions, no rally timing challenges, just a chance to enjoy each other's company and to let our Jaguars have a nice springtime romp. 🇬🇧

Autumn "Pilgrim's Path" Tour of Cape Cod Saturday, October 27

Tom and Mary Finan

Aldo and Debra Cipriano

Save the date, **Saturday, October 27th (rain date Sunday, October 28th)** for a driving adventure that is being planned by **Tom and Mary Finan and Aldo and Debra Cipriano**. Our route will take us through 10 of the 15 Cape Cod towns, beginning in Sandwich and ending in Provincetown, with a stop at the Cape Cod National Seashore. In addition, we intend to offer options for overnight stays on Friday and/or Saturday.

October is a very pleasant time on The Cape. It is not noted for great foliage, like northern New England, but there are some nice displays of color, particularly around the wetlands and the marshes, which take on a golden tone as the grasses turn. And while there are many visitors in the autumn, it's nothing like the crowds in summer. So mark your calendars and plan to join us. It's early now, but more details will follow in later issues of the Cat. 🇬🇧

JCNA's 2012 AGM and Western States Meet Phoenix, AZ - March 6-14

AGM Western States Meet

Arizona March 6-14, 2012
Jaguar Clubs of North America

There is still time to make plans and register for the JCNA AGM in Phoenix, but you do need to register no later than March 1st. The actual JCNA AGM happenings will take place the weekend of March 9 - 11, 2012, but the Arizona Jaguar Clubs of North America have planned a number of activities from March 6th, leading up to the weekend, to entice you to come out and enjoy sunny Arizona. And you may choose to stay on through March 14th for the Western States Meet. All of these activities take place at the Crowne Plaza San Marcos Resort, located in historic Chandler, a southeastern suburb of Phoenix.

In addition to all the social events throughout the week, special seminars will be scheduled at the hotel on a wide variety of topics relating to Jaguars. And there are lots of opportunities to meet Jaguar owners from other parts of the country.

There's more information about all of this, including registration form, hotel information, and a complete schedule of events on the JCNA website: www.jcna.com.

One More Reminder – Please Update Your Profile on the JANE Website

If you've not yet updated your profile on the JANE website, please do it soon!

Some of you update your profile often, some of you only rarely, and some of you may not even be aware you have a JANE profile. Rest assured that you do, and it is online for other JANE members. Why should you bother to update your profile? Here's why:

- Your online profile is an important part of your club's ability to contact you with information about the club's many activities.
- It is vital to maintaining our membership roster with the Jaguar Clubs of North America -- a necessary part of participation in that organization.
- It provides a way for other club members to contact you through the members-only online search capability or in the soon-to-be-printed directory. Online, members can search for other members by name, city of residence, types of cars owned, and other criteria. If you have a question about, say, an XK120 you can easily find all the owners who have XK120s listed in their profiles. Other members can seek your advice on their cars if you list them in your profile.
- Back by popular demand, we will publish a hardcopy membership directory early in 2012, so you want to be sure your profile is up-to-date.
- Get photos of your cars displayed on the JANE home page. We've had photos of members' cars appearing randomly on the home page for several years, but the inventory of available photos is out of date. Now, if you upload photos of your cars, they will automatically be selected at random for the home page display. Be sure to upload photos so your cars will be featured.
- I plan to do another article for the *Coventry Cat* and for the *Jaguar Journal* on a composite profile of JANE members and their cars. I did a similar article in 2007 and want to do an update. Lots of JANE members enjoyed the article, and we won a JCNA award for it. But I cannot do it without your help in updating your profile.

And remember, your JANE profile information is available only to other current JANE members. It is hidden from casual website browsers, our advertisers, and our guest members.

So please update your profile information and upload pictures of your cars. You can update your profile in three different ways: online; by responding to an email that you will receive, with the changes typed into the appropriate spaces; or by printing the form on the following page, filling it in with any changes, and mailing it back.

Online (the best):

This is by far the preferred way of handling the update, as you can do it as easily as the other two methods and it requires no other time from your overworked webmaster. To update online, first go to the JANE Home Page and login (your user ID and password are in the form at the bottom of this email). Second, select Member Pages from the Home Page menu. When you get to your personal JANE Home Page, select Update Info and just make whatever changes and additions you want. Uploading photos is just as easy. From your JANE Home Page click on Upload Photos and follow the instructions. Need more guidance? You can find a more complete tutorial on the JANE site.

By EMail (OK):

You have received, or will receive, an email containing a table of all of your current information. Simply reply to that email and fill in the right-most boxes labeled "New Value" with any new or updated information. We'll then figure out how to get the updates into our database. For photos, just attach the photos to the return email.

By mail (if you insist):

Print the form on the following page, fill it in by pen or pencil, and then mail to Dennis Eklof, 31 Ames Road, Groton, MA 01450 or to Ed Avis, 252 Upper Pond Road, Litchfield, ME 04350. If you have hardcopy photos, send them along and we will try to find the time to scan them in and add them to your profile. If you want to see what is already in your profile, you can find it on the JANE website. See the instructions above for online access.

Thanks
Dennis Eklof

News from Gary Hagopian's "Jaguar Camp" in Florida

Gary Hagopian

Hello to all you Jane members,

This winter we're enjoying fall-like weather in Florida, Jagging around needing neither heater nor A/C in our E-Types! The "Jaguar Camp" guys got together recently for a little socializing without getting our hands dirty, as we normally do when we gather. The Cricketer's British Pub kinda got us going again, so now we plan to reconvene to pull the 3.8L motor out from Dave Hewitt's '64 OTS that's been in a storage container for 17 years!

We just delivered the 4.2L in the pictures below to Pat Hinman of Crystal River, FL, and we'll bring the motor back to Weeki-Wachee for George Parker, Don Holden (Newfoundland), and I to begin our 7th Jaguar engine restoration down here. I expect that we'll deliver this one in March of 2013. George Parker has become somewhat of an "S.U. Carb Expert," if there IS such a thing, and will undoubtedly be the guy who restores the triple S.U. setup from this car.

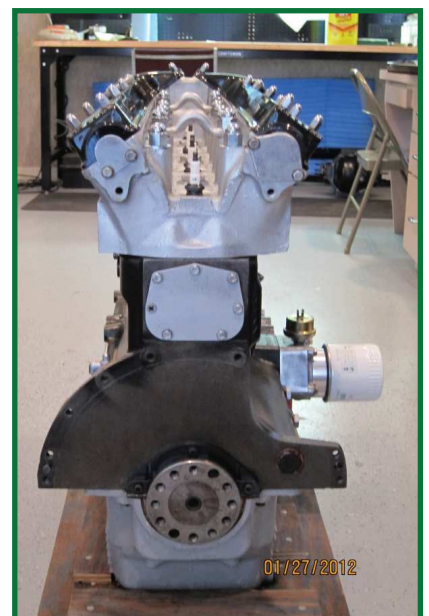

Here's a picture of us Jag Camp guys hoisting "a pint or two" at the pub lunch.

L to R: Don Holden, my right-hand helper; Ken Munkittrick, SCJC (Tampa), whose XK150 engine we did a couple years ago; Lorne Robbins, my next door neighbor, who always seems to be around when the subject is "having a pint or two"; Yours Truly (Gary Hagopian), JANE and "Camp Director;" Ray David, former JANE member, whose 4.2L engine and 5-speed conversion we did five years ago; and the inimitable George Parker, JCCNY, who's always there to assist with these projects ... and whose heart really resides with JANE.

We're raising our glasses to y'all, wishing you a tolerable winter, and looking forward to seeing you in the spring! 🇬🇧

Michele Kayden's Vintage Jaguar Jacket

How's this for a really cool vintage Jaguar jacket? Michele Kayden recently visited a long-time friend in Maine who passed the jacket on to her. Fran Martin and her late husband, Bob, had a mid- to late-1960's red E-Type in the early 1970's, and they loved taking to the road with in, particularly around Bethel, Maine. Fran doesn't remember when or where they got this jacket, but it was probably at one of the many car shows they used to attend. Michele proudly wore it to one of our monthly meetings recently. 🇺🇸

JANE Is Now on Facebook

Those of you who have been on the JANE website recently may have noticed something different at the top of the home page, the calendar, and the event fliers -- JANE is now on Facebook. Our current website will continue as it is, but we have added a JANE Facebook page and Facebook links to our website.

So what does that mean?

It's worth saying a few things about Facebook for those of you who are not familiar with it. Facebook is what is called a "social" network designed to allow people to easily communicate with each other -- and it is completely free. You join Facebook by going to facebook.com, signing up for an account, and entering some basic profile information. You have the option of sharing your profile with everyone else who has a Facebook account, or limiting access to your profile to what are called Friends -- and you control who you consider to be your Friends. To become a Friend of another Facebook user you must send them an invitation to become your Friend, and they must accept your invitation, or vice versa. Most of you should have received an invitation to

be Friends with the new JANE Facebook page about a week ago.

What does being a Friend mean? First it is necessary to talk about a principle Facebook concept -- your "Wall." Think about your Wall as a bulletin board. You can post anything you want on your bulletin board -- photos, videos, links to things you like, etc. Any of your Friends will see whatever you put on your Wall without your having to do anything else but post it to your Wall. Similarly, you will see everything your Friends post on their Walls. Get a great photo while traveling and want to share it with your Friends? Just upload it from your mobile phone to your wall, and all your Friends will automatically see it. Neat!

The **Like** button:

Think of the Facebook *Like* button as a recommendation from you to your Friends to look at something you found on the web. Let's say you see an event on the JANE calendar and you want to make sure your Friends know about it. Click the *Like* button and your recommendation will show up on the Walls of all of your Friends. Note that you must have a Facebook account for this to work.

The **Send** button:

This is much like the *Like* button, only more discriminating. When you click the *Like* button, all of your Friends get a notification. With the *Send* button you can send a notice to individuals or to groups of Friends that you have defined. For example, you might have a Group made up of JANE Friends. If you are a Facebook user and have registered a Facebook Email, you can also use the Send button to email the link to non-Facebook users.

View Recent JANE Facebook Activity link:

The JANE Facebook page is public -- anyone on the web can view it. This link allows anyone (Facebook user or not) to review recent activity on the JANE Wall without ever leaving the JANE website.

Visit JANE on Facebook link:

This will take you directly to the JANE Facebook page (www.facebook.com/JagsNEWall). If you are not a Facebook user, all you can do is look, but if you are logged in to Facebook, you can comment on what others have posted, or add your own posts, including sharing photos and videos. However, always remember that the JANE site is a public site that anyone on the Internet can view, just like the JANE home page.

How is JANE using the Facebook page?

We have already begun posting reminders for future events on Facebook, and will continue to do so. If you *Like* the JANE page, you will automatically receive these notices on your Wall as soon as they are issued. We are working on creating events on Facebook in a way that will allow you to sign up for the event online, but that's another story. Stay tuned. 🍷

One More Plea for the Return of Missing JANE Documents!

JANE's archivist (unofficially Carl Hanson) is still searching for the missing binders of Minutes of Board Meetings and the Official JANE Seal. Dave Herrick passed them on to someone after he left the Secretary position, but cannot recall to whom he entrusted them. Please think about this again, even root through any random, unidentified boxes or paper bags around your house, and if you find these things, please notify Carl (781-275-2707 or chansonjag@aol.com). No questions asked ... well, maybe a question or two, but Carl will be pleased to take possession of these things if you should come across them in "your" archives, and the club and our lawyers will thank you. And that reward of a complimentary drink at the next monthly meeting at Wayside Inn can still be yours! 🍷

An Evening with Michael Keyser at Larz Anderson Auto Museum

On Tuesday, February 28th, Michael Keyser, winner (with Al Holbert) of the 1976 Sebring 12 Hours, and the Director/Producer of *The Speed Merchants*, will be at LAAM for the screening of his film and to meet car enthusiasts. The event is presented by Larz Anderson Auto Museum and Motorsports Marketing Resources and sponsored by Racemaker Press and JANE.

The doors will open at 6:30 for "meet and greet" and light refreshments. The movie presentation, *The Speed Merchants*, will begin at 7 p.m. and will be followed by a discussion about the making of the film.
