President's Update

We are now into the second half of the year, with membership growing impressively. Howard has been doing a fine job fulfilling the office of Membership VP, and with our Concours often providing our most new member sign-ups, it looks like we will be hitting our membership goal for 2016.

The calendar for July had several more successful events toward the end of the month. Weather for the Myopia Polo event on the 24th was about as perfect as can be expected. Many JANE members and their cars all lined up along the

polo field boards, with a wide variety of assorted appetizers and libations throughout the afternoon. The ladies were all sporting their creatively designed hats, which added even a bit more elegance to the day. Once again, Aldo Cipriano did a great job organizing one of our club's most popular events.

Our July monthly meeting was purely social, and we also had great weather for that as members gathered with their cars on the lawn for multiple rounds of libations on the outdoor patio. Most of us wanted to stay outside, but we eventually made our way indoors to indulge in another fine buffet provided by the Wayside Inn.

Our 44th annual Concours is now less than two weeks away, and everything is falling into place. Registrations have been coming in, and it's looking like we have another strong show field for Saturday. Our Concours Chair, Jane Murray, has indicated that pre-registration is just about ready to close, so if anyone hasn't registered, go to the website and get it done and save a few dollars at the same time. Items of interest are being accumulated for the silent auction and the raffle, so make sure you come prepared to participate and take something home.

The weekend after the Concours will be our annual Potluck Picnic, Pool and Lawn Party at David Moulton's house in Groton, Massachusetts. David has a beautifully landscaped property that provides plenty of room to enjoy all the great food and even take a swim. This is another very popular club event, be sure that you go to the website and register early so that our hosts will be able to plan accordingly, and let them know what you are able to bring.

September has several other popular annual events scheduled: our Fall Slalom, British Invasion in Stowe, Vermont, the Larz Anderson Classic Motor Tour, Boston Cup, and our monthly meeting. If you haven't made your arrangements for British Invasion it may be a little late, but probably still worth a try, you never know what you might find available. Registration for the Martha's Vineyard trip in October is open and will be filling up fast.

The end of the year will be here soon and the club will be looking for people to step up for Board member positions that will be coming available, as well as event chair and/or co-chair positions. The club is able to keep its membership level with annual growth and the number of annual activities only by having members who are willing to take on some of the responsibilities and commitments of making sure things are accomplished in a timely manner. This is your club, and its continued success depends on membership involvement, so please consider becoming more involved and share with others your skills, talents, and experience.

I hope to see many of you again over the coming month. Happy Motoring!

Jim

JANE membership as of July 28 is now 284 members, and I am proud to report that this makes JANE the largest club in JCNA. Let us all appreciate that JANE has grown through hard work and dedication over the years. Our strong membership and member participation has enabled JANE to have a phenomenal range of activities for individuals of all interests.

This last month JANE had one new member joining and a former member rejoining. I am optimistic that two others who have expressed a strong interest in JANE will be joining shortly. And I expect membership to continue to grow at our Concours event in August. Additionally, guests continue to register on our website and may be joining JANE as well. I believe we are well on our way to my goal of 300 members for the year!

The JANE calendar continues to be full and I look forward to attending as many events as I can. Bocce on the Beach, Concours, the Potluck Picnic, and British Invasion all should be great upcoming events.

Please encourage any of your friends who have any interest in JANE to attend an upcoming event as a guest. As always, the JANE website is a great place for prospective members to sign in with a guest membership to learn more about the club and see what events are scheduled. Additionally, JANE brochures are available at our monthly meetings.

Badges

Our Board of Directors has approved our ordering another 100 JANE car badges. They will be available in about a month and will be offered at the same price of \$45 each. Optimistically, they will arrive in time for Concours, but that may be very close. Please let me know if you are interested in obtaining a badge and I will put you on the short list of new badge owners.

Enjoy the rest of summer and all the fun activities you may have planned, both JANE and others as well. Plenty of beach time and visitors for me!

Cheers,
Howard Kalet

The Wayside Inn is the oldest operating inn in the country and a Massachusetts historic landmark, well worth a visit even separate from JANE's monthly meetings there. The Inn's Old Bar is its oldest room, and it's still in use today. On the evenings when we have our meetings at the Inn, you'll always find members already gathered in the Old Bar or out on the lawn well before dinner meetings begin at 7pm. It's always the perfect gathering place to visit with fellow members.

Last Call for Concours Registrations

The time frame for the early registration discount is now past, but you may still register to attend the JANE Jaguar Festival and Concours in Sturbridge, Massachusetts on Saturday, August 13th.

As of August 1st, the fee for a vehicle you plan to have judged is now \$70, or \$60 for a vehicle registered for display only. Send in your check, or pay by credit card when you register online at the JANE website. But please do it immediately so we don't have to deal with last-minute registrations at the gate! And if you plan to stay at the Sturbridge Host Hotel either Friday or Saturday night, make your reservations directly with the hotel: 508-347-7393.

You can also find a detailed schedule of all of the weekend's events on the website.

This is another reminder that JANE will host a Hospitality Suite at the event on Friday evening and all day Saturday. Pizza will be served Friday evening, and breakfast in the Hospitality Suite is arranged through the hotel, but if you can contribute any food (snacks) or drink items for during the day, please let Prebble Eklof (617-877-5825 or prebble.eklof@verizon.net) know no later than August 5th, so she will know what needs to be purchased beforehand.

Your attendance and enthusiasm will contribute to making this another memorable Concours! I look forward to hearing from you.

JANE Potluck Picnic, Lawn and Pool Party Groton, Massachusetts – Saturday, August 20

If you are unable to make it to JANE's Jaguar Festival and Concours on August 13, or if you do that event and want a wind-down event the following weekend, make plans to come to the Potluck Picnic Party. Dennis and Prebble Eklof will collaborate with their neighbor and fellow JANE member Dave Moulton to host this traditional August JANE Potluck social gathering at Dave's home (39 Ames Road in Groton) on Saturday, August 20th (rain date Sunday, August 21st). This is the weekend following our Concours in Sturbridge, and will be a much more relaxed day than Concours -- no need to detail your Jag, no judging, no competition -- just come to hang out with your JANE friends. Bring your Jaguars, or other exotica -- there's plenty of space on the lawn for viewing and tire kicking. And Dave has a beautiful new garage to show off this year!

Bring your swimsuits -- The pool will be open, and warm if the weather should be cool, or cool and refreshing if the weather should be hot. There's a screen house in Dave's woods, and there's a golf cart to help you get there. There are stone sculptures all over Dave's property for touring.

Bring an appetite, as there will be plenty to eat and drink. Bring "whatever" as your food or drink contribution to the gathering. Most important, bring yourselves so we can all enjoy the company of like-minded Jaguar lovers. We'll begin to gather around 2:30pm and go until there's no food or drink left, the police arrive, or everyone wears out and goes home. It's a great time of year to be outside, and there will be plenty of opportunity for wandering among the cars or just lounging by the pool and waterfalls, so put it on your calendars and be there!

For more information contact Prebble Eklof at 617-877-5825 or by email at prebble.eklof@verizon.net. **RSVP by Monday, August 15, and let us know what food or drink item you plan to bring so we know we'll have some of everything!**

JANE Barbecue at British Invasion Stowe, Vermont – Saturday, September 17

Yes, there will be a JANE Barbecue on Saturday night at the British Invasion, hosted by the residents of the Birch Glen House on Strom Farm Lane, just north of the Stowe Motel, and it will be the usual after-the-show party, with great food, beer, wine, and good times.

But this year we are doing it a bit differently. In past years we had so many last-minute attendees and drop-ins that we were frantically scrambling at the last minute to get enough food and beverages together. In other years we had many acceptances, but many who said they were coming did not, and we were left with mountains of leftovers and considerable uncovered expense. So for 2016 we are asking everyone who wants to attend to **register ahead and either send us a check or pay online (\$20 per person) with a credit card** through the JANE website. It's easy, just click the **Register Now** button and indicate how many will

attend and how you want to pay.

See you in Stowe!

JANE Lobster Tour 2016 Saturday, October 1, 2016

The exact details of the tour are still being finalized and it will be similar to last year's tour.

The tour will begin at 9:30am from the Portsmouth Traffic Circle and proceed along the scenic New Hampshire coastline, then progress along back roads toward Portsmouth, briefly through downtown, and crossing into the southern Maine coastline via the recently reconstructed Route 1A bridge. Last year we had an extra treat, our group was split when the drawbridge went up -- makes for a more interesting tour! The tour will then progress up the coast of Maine and end at a restaurant offering local seafood. Of course Maine lobster will be available as well as other local favorites. Other stops will be recommended for those wanting to take in other sites and perhaps spend another day in the area.

SPRING SLALOM SUCCESS

By Rich Kosinski

The first JANE slalom for 2016 was held under beautiful blue skies on Saturday, June 25. We had 17 participants running a wide assortment of current, classic, and specialty cars.

The Slalom Committee – Paul Bicknell, Glen McLachlan, and Rich Kosinski -- arrived at 9am and found several entrants already waiting by their cars to start their runs! We immediately started to set the course, started registrations by 9:30, and were ready to start the first runs soon after.

Although most of the entrants had run our course before, we did walk the course first, allowing a few of the newer participants (in their Hondas!) to familiarize themselves with the course and how to set a line around the cones.

After three runs, it was noon and time for a lunch break. This year we had a variety of sandwiches made from a local favorite deli – Borellis. We had a lot of comments as to how fresh and delicious the lunch was and that it was preferred to the food truck of prior years.

Reviewing the mid-race results showed that it was neck and neck between one of JANE's seasoned pros – Dennis Eklof in his Stalker, and a couple of Corvette owners, along with Bob Totten in his specially prepared Triumph. Other notable cars included the E-Types from Bonnie Getz, Rob Gardner, and Dave Young, and a very nice Lotus Eclat run by Norm Michaels.

Then back to running the cones, each driver trying to shave milliseconds off their time. On the final lap, Rich Kosinski finally turned off the traction control on his 600HP XKR and found out how quickly rear tires can disappear in clouds of smoke!

After the final run, we tallied up the fastest times and recognized winners as follows:

Fastest Overall – Bob Totten in his Triumph Spitfire GT
Fastest Jaguar – Dave Moulton in his F-Type

We then ran over 20 dollar-runs (a record number), during which Dennis let others drive his Stalker, and he also took some people for thrilling rides in the Stalker.

We all had a great time preparing and running the Spring Slalom, but this was really a team effort by several JANE members, and special thanks go out to Dennis and Prebble Eklof, who, as always, pitch in to make every JANE event a success.

The 2016 JANE Jaguar Cup at Myopia Polo

Bill Richardson photo

by Aldo Cipriano

The JANE Myopia Polo Jaguar Cup event for 2016 was exciting from start to finish. The field of cars ranged from an accurately replicated SS-100 to contemporary XKs and Saloons. Club members enjoyed the shaded side of the field, with cool North Shore breezes as the event progressed, and complimentary horse-themed wine from the Club and King's Ginger Liquor from a Myopia hospitality tent.

John Romano photo

Bill Richardson photo

For a Myopia first with Jaguars, the club was permitted to select a motorcar to lead the Polo teams onto the field. Rod Gilbert was selected with his 1962 E-Type, with Bonnie Hay in her Ascot-style chapeau as co-pilot. The view of the procession was classic. Another site to behold was Bonnie Getz and Nancy Rousset motoring their E-Types onto the field, with their elegant hats adorning their entrance.

This was followed by another exhilarating day of Club Polo between last year's winner Chanticleer/Pony-Up and Del Rancho/Black Oak, with many penalty shots, rigorous play, and polo over the boards, with one errant polo ball lodging under Rod Gilbert's E-Type – no damage, just a souvenir.

The match was won in regulation time by Del Rancho/Black Oak, with some top-quality local and South American players. After the Myopia Chairman's Cup was presented, our Jaguar Cup was presented to the winning team, who, when given champagne, proceeded to spray cars and club members. Again, no damage done.

Our thanks to all JANE members who attended, especially new members, who all had a “polo pony-up” time. Thanks again to Dan Sears of Myopia for his attendance on the field to ensure that our every wish was fulfilled, and to Steve Willett, out of state on assignment, for his administrative coordination with me, together with Kimberly Maguire, Field Manager and an A-rated Polo player, for her help throughout the day. Thanks to Bill Richardson and John Romano for pictures taken and to the ladies of JANE for their elegant Ascot Park- inspired hats.

Opposite page top: The Myopia Chairman's Cup with a field of Jaguars beyond. Middle: An SS-100 replica cruises onto the field. Bottom: Rod Gilbert's “pace car” E-Type with Bonnie Hay riding shotgun leads the ponies onto the field.

This page top: The winning Del Rancho/Black Oak team members receive the Chairman's Cup. Middle: President Jim Sambold holds the Jaguar Cup, surrounded by Del Rancho team members, Aldo Cipriano and Dennis Eklof (not Livingston, I presume).

Bottom: In typical NASCAR fashion a bottle of champagne is shaken and sprayed about by a Del Rancho member.

For more Myopia photos see page 16.

Thank you John Romano, Bill Richardson, Alec Hay and Bonnie Getz for the Myopia photos on this page.

JANE (and Friends) at the Misselwood Concours

Words & photos by Ed Avis

The Misselwood Concours d'Elegance (<http://www.endicott.edu/concours.aspx>) celebrated its seventh successful season during the weekend of July 23-24 on the grounds of the Misselwood estate in Beverly, Massachusetts, as a fundraiser for scholarship programs at Endicott College. With the beautiful grounds overlooking the ocean, this has grown to one of the best event venues on Boston's North Shore and draws magnificent cars for the Concours from all over New England and well beyond.

As in previous years, JANE and JCNA were well represented with a variety of beautiful cars. While JCNA is primarily a Jaguar club, the interests of our members cover a wide range of classic and modern cars. Several JANE and JCNA members attended and some received awards including:

Dennis Mamchur (Jaguar Touring Club of NJ): Class IV, Pre-War Classics, with his 1936 Morgan 4/4 (the first four-wheel model produced by Morgan and #70 of only 90 produced).

John and Maria Gendelman (Jaguar Touring Club of NJ): Class V, Vintage Sport and GT through 1959, with their 1955 XK140 MC Roadster. (photo right)

Tom Larsen and Nancy Monaghan (JANE): Class VI, Vintage Sports and GT from 1960 to 1969, with their 1967 Ferrari 330 GTC. (Tom and Nancy also received the Misselwood Award in 2015 in Class VI: Vintage Sports and GT from 1960 to 1980, with their 1967 Jaguar E-Type Coupe.) (photo left)

Michael Kaleel (JANE): Chrysler Imperial Featured Marque Award with his 1928 Chrysler 72 Sport Roadster. (photo right)

Bill Scheffler (club affiliation unknown): Greatest distance driven to the event (186 miles), with his 1953 Jaguar XK120 Roadster. (BUT, counting an overnight detour to Groton, Massachusetts, to visit his son and family, Ed Avis actually drove 211 miles to Misselwood.) (photo left)

Rounding out the field, but with no awards this year, were:

Keith Carlson (JANE), with his 1946 Monarch Woodie. (*Keith received the Misselwood Award in 2015 in Class III: Pre War Classics and Significant/American, for his 1937 Cord 812 SC Phaeton.*) (photo right)

Ed and Cheryl Avis (JANE), with their 1965 Jaguar MK 2. (photo left)

Michael Gaetano (JANE), with his 1947 Bentley Mark VI Sport Saloon. (Those who have been to the British Invasion in Stowe, Vermont, know this car very well.) (photo right)

And prospective members **Matt and Venessa Hamilton**, with their low-mileage, UNRESTORED 1967 Jaguar E-Type Coupe. (photo left)

Although absent this year, in 2015 **Daniel Graf** was awarded Best in Class VIII: Most Significant 1946-1950, with his superb 1948 Jaguar MK IV Drophead Coupe.

In addition to the JANE/JCNA members, **Jaguar Peabody** brought a new F-Pace for display in the VIP tent.

As the Misselwood Concours continues to grow in size and reputation, it is good to see that JANE/JCNA and Jaguar are important players!
